RESALE CERTIFICATE Sales Tax Rules and Regulations

To Our Customer:

In Compliance with Sales and Use Tax Law, It is necessary that we have from all our customers, a signed re-sale certificate with their State Sales Tax Permit Number, to show that the merchandise has been purchased for re-sale.

The good faith of the seller will be questioned If he or she has knowledge of facts which give rise to a reasonable inference that the purchaser does not intended to resell the property, as for example, knowledge that a purchaser of particular merchandise is not engaged in the business of selling that kind of merchandise.

Under "Description of property to be purchased, *there may appear:

- (1) Either an itemized list of the particular property to be purchased for resale, or
- (2) A general description of the kind of property to be purchased for resale. Such certificate is good until revoked in writing.
